Library

Nursing

SEC

Student Center

Technology Building

The College is planning to add more buildings and location(s) in the near future as installations are completed.

Students

Can access the wireless network by connecting to OCC_Students SSID

Guests

Can access the wireless network by connecting to OCC_Guest SSID

Faculty/Staff - Secure Authentication

Due to the nature of the network, the College uses Staff/Faculty request and use of the Ocean Network. A criterion for login is that the user must be a staff or faculty member. The time for installing these applications can be long if not connected directly to the College network.

Should you need assistance, the following links should be of help for assistance.
